

# WALK FOR ALSGA 2015

Dear Prospective Sponsor,

We are planning our 4<sup>th</sup> Annual Charity Walk to benefit the ALS Guardian Angels, a foundation dedicated to giving financial aid to victims of ALS through grants. ALS is a fatal disease with no treatment or cure and only a two to five year survival rate. ALS, also known as Lou Gehrig's Disease, is a neuromuscular disease which destroys those nerves that "tell" the muscles what to do. As a result, muscles atrophy and literally die, leaving the victim completely paralyzed, unable to talk, eat and ultimately to breathe.

We are seeking corporate sponsors to donate to our event in the form of a monetary donation or items for our event. All donations are tax deductible. Corporate donations will receive website recognition and advertising at our WALK.

Our 4<sup>th</sup> Annual ALS Guardian Angels Walk will be held on Saturday, September 26<sup>th</sup>, 2015 at William R. Mason Park, 18712 University Dr, Irvine, Ca. Please visit our website for more information @ [www.walkforalsguardianangels.com](http://www.walkforalsguardianangels.com). We welcome as many walkers as possible. If you have a loved one that you would like to walk in honor or memory of, please join us.

Thank you for your interest and contribution!  
Sincerely,  
Becky Gasper, Event Coordinator
